**WELCOME** to hair dimension salons. Our goal is satisfaction. Our staff is recognized for their technical and color expertise. A good haircut should make you feel great. It is an accessory you wear everyday. Your haircut should be easy to care for and contemporary in style. That is what we strive for.

## THE TEAM

We are a team of highly trained professionals and our goal is to offer you the highest quality in all of our services. Our expert colorists are specially trained to deliver rich results and our staff is full of friendly, reliable people, who are always eager to please you.

## WEDDINGS/PROMS/SPECIAL OCCASIONS

Several of our stylists focus on formal hair styling for special events. We can accommodate all of your needs, from hair styling to make-up applications.

## EUROPEAN HAIR COLOR

We exclusively use Color Design, imported from Italy. The patented Ceramide A2 molecule simultaneously rebuilds hair as you color it. Leaves your hair with luminous shine, softer, and in better condition. Permanent color with very low ammonia and semi-permanent color with no ammonia. Brilliant blondes....Vibrant reds...Rich brunettes...and of course, superior grey coverage.
